For those
obsessed with
about something
for a while now.

A PROBLEM DEEP INSIDE
SHIRO'S MIND...

AFREK
HOLDS HIS...

I'm not asking for a
philosophical answer or
anything, but is there
any reason for a robot
like me to have that
ability?

Why am I able to
think for myself?

It doesn't provide
any benefits to the
Supernatural.

And they actually
are trying to create my
reindeer looker.

If they succeeded
I wouldn't need up
the Castle Key.

Is it
because they
don't fully
understand
all and make
so many
mistakes?

Am

By creating
spells, items, and
they don't expect
to be done later.

I wonder why
they don't do it.

Was there
any other
reason?

They are working
hardly about
the reconstruction
of last year.

If that's the
case why would
they ever want to
create an robot?

In this world
that was created
for Kameners,

That's
right...

That's what
was why I was
entrusted in
Kameners too...

Why not
I asking you
to get some
back, then?

Why do I
decided to help
out Kameners
after all?

Are there any
other reasons for
me to exist in this
world besides
fulfilling my duty
as a Kamen?

It seems a
reason as to why
I am still to think
as a Kamen
being?

YOU GO
THAT FAR
FOR HER?

SHINRYU!

I'LL ALWAYS
BE YOUR FRIEND
BRADLEY

DO NOT
WORRY! NO
MATTER WHAT
APPROACH TO
YOU!

Is this
because I've
been misjudged
my old man
reality?

I have to make
him understand
our school
principles!

Take
is getting the
wrong idea
about the
current
situation...

Here. So
you can the
Supervisors'

**BUT I HAVE NO
MEMORIES OF YOU IN
MY CHILDHOOD! THOSE
MEMORIES OF YOURS ARE
NOTHING MORE THAN
CONVENIENT LIES CRE-
ATED FOR YOU!**

I DO THINK
OF YOU AS AN
IMPORTANT PERSON
OF NOW.

Shizuchi...

That's right
I can't even
remember
where my
parents are...

Hub?
Why can't I
recall anything
about it?

Why can't I
clearly remember
his face or
appearance in
the past?

YOU'RE
SERIOUS?

Well...

**I'VE BEEN
YOUR BEST
FRIEND
FOREVER!!**

**THERE'S
NO WAY MY

Is this a
part of their
expressed
roof?

To Make a
Number that
could go
after me.

What's going
on here?

Is there any
reason for
this?

I DON'T
HAVE ANY TIME
TO THINK
ABOUT THIS

IF THAT'S
THE CASE...

I could
run away
from this...

If I use that to my
advantage and head
towards an area
full of people.

But this
just feeling
after all this
time before?

They're
proceeding
moving onto
continuously

No, that won't do.
That's the possibility
that she would attack
them without
discernment.

Don't!

Involving
them for my
own convenience
is too...

If I think of them
and go with Shiro
in Class Rep.

For the time being,
I should just leave my
school as planned.

and I will still be
able (the hell) if my
children in a place
I never dreamed!

At 11 light here, I
could bring an end
to this without
anything beyond

The beginning
wasn't! The fire
extinguisher!

I know
there's this
thing placed
throughout
the school!

Further
more,

Did you think
that you can
run without
a weapon?

Wait! Come
at me!

That is
my chance to
show what
I've learned!

Before,
when I wanted to
become someone
around me,

I used it as an
experiment to try
out new things!

However
that isn't the
only thing
the fire could
ignite too!

19

However...

.....

All right
I took her
ability to
speak!
